

## Registration Form

### CENTURION® Maintenance Seminar

### PART-147 APPROVED TYPE TRAINING AND EXAMINATION

#### Background

According to the Operation- and Maintenance Manual all inspections and repairs on CENTURION® engines have to be carried out by an organisation which is authorised by TAE. The purpose of this seminar is to familiarize inspectors and certifying staff to perform regular maintenance and diagnoses on TAE engines. This is required to become TAE authorized maintenance organization according to the Service Bulletin "TAE 000-0003".
